Double Bill: **The Sweet Potatoes & The Young Novelists** with guest MC **Lilli Kuzma** of the "Folk Festival" show on WDCB 90.9fm / WDCB.org! There are actors, authors, and singer-songwriters among them!

The Sweet Potatoes come out of Southern California to dish up original, acoustic Americana music with a fresh twist. Laura & Rick Hall and Kelly Macleod feature acoustic guitars, ukulele, accordion, and harmonica. Influenced by Emmylou Harris, Patti Griffin, and the Dixie Chicks, they will bring a smile to your face with their sweet harmonies and finely-crafted songwriting.

The Young Novelists are a Toronto folk-roots duo known for their deft songwriting and gorgeous harmonies; something akin to Simon & Garfunkel meets Johnny and June. Husband and wife Graydon James & Laura Spink capture audiences with both barnstorming singalongs and heartbreaking folk ballads.
